

GOVT COLLEGE OF DENTISTRY, INDORE

Communal Harmony Week celebration

19th Nov to 25th November 2023

Communal Harmony Week was marked by the Govt College of Dentistry Indore from 19th to 25th November 2023 and Concluded on the constitutionday. The chief guest for the inaugural program was Dr. Sanjay Dixit. He overwhelmingly congratulated our Principal Dr Sandhya Jain for accomplishing activities and creating harmonious vibes in the institute. Good creative activities like extempore speech and quizzes for the students to instill patriotism and good human values among budding dental professionals were highly appreciated

Dr. Sanjay Dixit added valuable information on communal harmony by emphasizing unity in diversity. Dr Vrinda Saxena organizer of the event highlighted the importance of communal harmony and HEALTH as the magic for creating harmony. So, health awareness is integral to creating a well-informed compassionate, and proactive society that actively works towards prevention and support by shaping a healthy nation.

The occasion of Communal Harmony and National Integration. Students and faculty participated joyfully marking the event in our diverse nation, fostering unity and understanding among different communities is not just a responsibility but a collective strength that propels us forward.

Communal harmony isn't merely the absence of conflict; it's the celebration of our differences, a recognition that our strength lies in our diversity. Today, as we commemorate this day, let us reaffirm our commitment to building bridges of understanding and respect.

National integration is not a one-time achievement; it's a continuous process that requires active participation from each one of us. We must embrace the rich tapestry of cultures, religions, and traditions that make our nation unique. It is in this diversity that we find our true strength.

Let us work towards breaking down the barriers that divide us and focus on the common threads that bind us together as one nation. Education plays a pivotal role in shaping these values. As educators, we must instill in our students the importance of tolerance, empathy, and unity.

On this day, let us reflect on our shared history and envision a future where every citizen, regardless of their background, feels an integral part of this great nation. Together, we can build a harmonious and integrated society that stands as a beacon of unity for the world.
