

Paediatric Pathology-Case Based Approach
Department of Oral & Maxillofacial Pathology & Oral
Microbiology
Government College of Dentistry, Indore

A CDE & PG Exchange Program was conducted by the Department of Oral & Maxillofacial Pathology & Oral Microbiology on January 23rd, 2024 in Govt. College of Dentistry, Indore. The guest speaker for the event was Dr Pratibha Ramani, Professor & Head Department of Oral Pathology, Saveetha Dental College, Chennai. She enlightened the audience with her enriching session on “Paediatric Pathology-Case Based Approach” in the form of multiple compiled paediatric clinical cases.

The CDE Program began with welcome note by Principal Dr. Sandhya Jain. The event was organized by Dr Jaya Joshi (Prof & Head, Dept of Oral & Maxillofacial Pathology) and co-ordinated by Dr Kundendu Arya Bishen, (Lecturer, Dept of Oral & Maxillofacial Pathology) The participants included the faculties and PGTs of our institute as well as that from Dept. of General Pathology, MGM Medical College.
