

CELEBRATION OF TOOTH BRUSHING DAY ON 7TH NOVEMBER 2023

The Department of Public Health Dentistry at Government College of Dentistry, Indore, organized a grand celebration to mark Tooth Brushing Day. National Tooth Brushing Day is observed in India on the 7th of November every year. The program was conducted Under the expert guidance of Dr. Sandhya Jain (Principal and CEO, Government College of Dentistry, Indore) and Dr. Vrinda Saxena (Prof and Head, Dept. of Public Health Dentistry), With the team of the Department of Public Health dentistry (Dr. Puneet Gupta, Dr. Ankita Bhargav, Dr. Manoj Jain, Dr. Manish Deheriya, Dr. Richa Nagar, Dr. Asmita Datla, Dr. Saina S, Dr. Nandani Tiwari, and Dr. Amrita Bansal). The chief guest of the program was Mr. Manglesh Kumar Vyas, District Education Officer, Indore. We decided to celebrate this day by felicitating the schools where our team of doctors has conducted a teachers' training program on oral health awareness and we were excited to announce that this initiative is evolving into a 5-year longitudinal project, set to culminate in the year 2026. During this period, our initiative has extended to total of 25 schools and approximately 400 teachers.

This initiative was designed to raise awareness about oral hygiene, promote good dental habits, and highlight the importance of oral health in the community. The event was a resounding success, with a rich and diverse program.
